PARISTECH IN CHINA

✓ Academic partnerships – « 9+9 » Network

12 partner universities in China (Beijing, Shanghai, Nanjing, Hangzhou, Wuhan)

- « Diplôme ingénieur » (MSc in Engineering)
 - Since 2000, more than 1300 Chinese students admitted in the « ingénieur » programs
 - More than 200 ParisTech students in China: exchanges, projects and degree programs
 - Since 2008, 24 Double Degree programs (11 new Double Degrees since 2015)
- Master, MS & EMBA: joint and double degree programs
- PhD: 86 students participated in the ParisTech-CSC doctoral program since 2013
- Scientific cooperation

✓ Three Sino-French Institutes in China

- China-EU Institute for Clean and Renewable Energy (ICARE) – HUST, Wuhan
- SJTU-ParisTech Elite Institute of Technology (SPEIT) – Shanghai Jiao Tong University, Shanghai
- « Chimie Pékin » – Beijing University of Chemical Technology

✓ Institutional relations (MOE, CSC, MIIT, French Embassy,...)

✓ Alumni networks

✓ Corporate partnerships

PRESENCE OF PARISTECH IN CHINA

- 1999 Creation of the Sino-French Institute of Engineering and Management (IFCIM) at Tongji University (Shanghai)
- 2004 Creation of a permanent office of ParisTech in China based at Tongji University (Sino-French Center inaugurated by French President Jacques Chirac)
- 2010 Creation of the China-EU Institute for Clean and Renewable Energy (ICARE) at Huazhong University of Science & Technology (Wuhan)
- 2012 Creation of SJTU-ParisTech Elite Institute of Technology (SPEIT) at Shanghai Jiao Tong University inaugurated in 2013 by French President François Hollande
- 2017 Creation of « Chimie Pékin » at Beijing University of Chemical Technology

Partners since 2000

- Beijing Tsinghua University
 Peking University
 China Agricultural University
- Shanghai Shanghai Jiao Tong University
 Fudan University
 Tongji University
- Nanjing Nanjing University
 Southeast University
 Nanjing Agricultural University

Partners since 2011

- Hangzhou Zhejiang University
- Wuhan Wuhan University
 Huazhong University of Science and Technology

ACADEMIC PARTNERSHIPS PARISTECH STUDENTS IN CHINA

- Since 2000, more than 200 ParisTech French « ingénieur » students enrolled in Science and Engineering programs in our partner universities, with a scholarship from China Scholarship Council
- Most of them attended courses taught in Chinese
- Nearly 1/3 of them awarded a Chinese MSc degree
- 2 ParisTech French students completed a dual PhD program in China (Beida and Tsinghua)

ACADEMIC PARTNERSHIPS MASTER, MS & EMBA

- Dual Master - China-EU Institute for Clean and Renewable Energy (ICARE)
Huazhong University of Science and Technology
MINES ParisTech
- MS in International Environmental Management (EnvIM)
Tsinghua University
MINES ParisTech, INSA Lyon, UPenn
- MS in International Energy Management (ALEF)
Tsinghua University
MINES ParisTech
- MS in Innovation and Entrepreneurship
Zhejiang University
Ecole Polytechnique, Telecom ParisTech, ENSTA ParisTech
- TEE-EMBA – Executive MBA
Tsinghua University
Ecole des Ponts ParisTech, ENAC

GENERAL ADMISSION PROCESS

HOW TO PREPARE FOR THE WRITTEN TEST?

1st Part of the Test (1h30)

Part I – Applied Mathematics

- Mathematics A
- Mathematics B
- Computer Science

2nd Part of the Test (1h30)

Choose one or several subjects according to your specialization and to the schools of ParisTech you are interested in (see next slide)

Part II a – Applied Physics

- Basic Physics
- Mechanics
- Optics
- Electrical Eng. & Information Sci.

Part II b – Chemistry & Life Sciences

- Chemistry & Chemical Engineering
- Life Sciences

Candidates can either apply to:

- Up to 3 PhD research projects listed (144 PhD projects offered for 2018)
- An entire research field

12 main research fields:

- Mathematics and applications
- Computer and communication science & technology
- Physics and optics
- Chemistry, physical chemistry and chemical engineering
- Materials science, mechanics and fluids
- Design and industrialization
- Life and health science & technology
- Environmental science & technology, sustainable development, geosciences
- Energy and processes
- Science and bioengineering for agriculture, food and environment
- Planning and transport
- Economics, management and social sciences

October 2018: call for applications

December 15, 2018: deadline for application

Early January 2019: selection of students invited for an interview

Corporate Partnerships

1. Contacts with « French » companies in China and with Chinese companies with activities in France/Europe

Objectives

- Better understand the strategies and current developments of companies operating in China
- Better understand their needs in China in terms of HR (Country HR and articulation with the Group Global HR Policy), corporate training, research and innovation
- Identify partnership opportunities through contacts with company representatives in China and through frequent exchanges with the Directors of Corporate Relations within ParisTech Schools on the existing and future partnerships with companies in France
- More broadly, monitoring the job market in China and its evolution with a focus on professionals trained abroad in Engineering, Science and Business

2. Corporate partnerships: ParisTech added-value (1/2)

- Circulation of specific internship and job offers to ParisTech Alumni in China and future Chinese graduates currently in Paris
- Personalized identification of profiles within the ParisTech Alumni network in China, in France and abroad
- Organization of targeted events aimed at ParisTech Alumni in China (focus on Finance, Automotive, Energy, IT...)
- « Forum Horizon Chine »: annual job fair organized in March-April in Paris by ParisTech association of Chinese students (AFCP)
- Possibility to organize in the future a job fair in China in partnership with ParisTech Alumni organizations in China
- Internships in China for French students: « 1000 interns » program (3-6 months)
- Internships in China or in France for Chinese students: students currently in Paris and students from our 3 Joint Institutes in China

2. Corporate partnerships: ParisTech added-value (2/2)

- Access to the expertise of ParisTech Alumni, academic and corporate partners of ParisTech in China for meetings, seminars and training programs
- Contribution to the organization of Learning Missions in China (e.g. Day organized at Tongji University for ENGIE in September 2015, at SJTU for Total and Thales in 2016)
- Facilitation of competencies identification within the 12 partner universities in China and access to their research centers
- PhD thesis in France and/or China co-supervised by a Professor from ParisTech, a Professor from a partner university in China, on topics of interest for the company
- Initiation of joint research programs between a ParisTech research group, a partner university laboratory and a company on topics of mutual interest

CORPORATE PARTNERSHIPS LEARNING MISSION

China Study Tour for ENGIE ParisTech - Tongji University September 16, 2015

- « Introduction to Higher Education in China. Presentation of Tongji University's international strategy and its integration to Xi Jinping's "One Belt, One Road" development Strategy »
Vice President JIANG Bo, Tongji University
- « Innovation in China with a focus towards Energy-related solutions »
Cédric DENIS-REMIS, French Dean, SJTU-ParisTech Elite Institute of Technology

CORPORATE PARTNERSHIPS

3. Three joint institutes in China

Sino-French Institute of Engineering and Management (IFCIM)

- Education: scholarships, on-campus events, presentations...
- Research: projects between ParisTech and Tongji University

同濟大學 中法工程和管理學院
Institut franco-chinois d'ingénierie et de management

China-EU Institute for Clean and Renewable Energy (ICARE)

China-EU (Wuhan) Green Building Think Tank

- Think-Tank + Communication Platform + Business Club

SJTU-ParisTech Elite Institute of Technology (SPEIT) - Business Club

Founding Members:  **SAFRAN**  **Valeo**
AEROSPACE · DEFENCE · SECURITY

Members:  **PSA PEUGEOT CITROËN** 
标致雪铁龙集团

- Access to students: on-campus events, case studies, internships, job interviews, ...
- Education program: involvement in the teaching and in the design of the specializations
- Research: participation in joint research projects between ParisTech and SJTU
- Governance: seat on the Joint Institutional Board for Founding Members

4. Corporate Chairs, Master's programs in partnership with companies

- Development of activities in China in the framework of existing Chairs and Programs
- Possibility to add a China action item to the projects of new Chairs or Programs

Non-exhaustive list of existing Chairs and Programs including a China component:

- « Automated Vehicles - Drive for You » - International Research Chair on Automated Driving: Mines ParisTech in partnership with Valeo, PSA Peugeot Citroën, Safran and SJTU, Berkeley, EPFL
- Chair « Embedded Lighting Systems » (Institut d'Optique Graduate School): Renault, PSA Peugeot Citroën, Valeo, Automotive Lighting
- Renault Foundation: Master « Mobility and Electrical Vehicles » (MVE), Master « Transport and Sustainable Development » (TRADD) – Contacts with Tsinghua, Wuhan University and HUST
- Master « Renewable Energy Science & Technology » (REST) with TOTAL, EDF, PSA Peugeot Citroën, Schneider Electric, Saint-Gobain
- Master « Nuclear Energy » with EDF, Areva, ENGIE
